# *Catering Delivery*

Our commitment to serving you the freshest food possible is second to none. Hot food must be hot and cold food must be cold. That's why Wright's uses its own fleet of temperature-controlled vehicles to ensure your food is as fresh as possible when it arrives. We are proud to say we're one of the few in this area who have made this investment in equipment to take care of your health and well-being. Our customers are worth it.

**Hot Delivery Service** is available should you require that your order arrive hot and ready for immediate serving. It's a direct, door-to-door service that includes special handling while transporting and set-up upon arrival.

Due to the tremendous popularity of our **Guaranteed Delivery Time** service, we suggest you schedule a delivery time well in advance. Delivery slots can fill up weeks ahead of your date, especially during the holiday season. Customers have the option of reserving a delivery time, and then following up at a later date with their order.

**Delivery pricing** is based upon the time of the day and delivery location. Peak pricing is from 7 - 9am, 11am - 12:30pm, and 4:30 - 6:30pm. Off-peak delivery times fall outside these windows, and are ideal if refrigerator space is available or for the delivery of cakes or mid-morning or mid-afternoon snacks.
